Be inspired at TAFE.

The Echuca Campus of Bendigo TAFE is holding an open night from 5.00 – 8.00pm on Thursday 7 February.

This night is a new initiative designed to provide prospective students, industries and businesses an insight into what Echuca Campus has to offer, either as an individual or business. Teaching staff will be in attendance on the night to discuss career goals and study options.

In 2013, prospective students and businesses will have nationally accredited courses to choose from, within Professional Industries, Community Services, Health and Wellbeing, Primary Industries and Trade as well as VCAL and Certificate III in Media.

The open night provides the opportunity to look at the high quality training facilities, support and assistance available locally to student’s valuable information regarding the enrolment process, how to apply and any other information regarding testing or interviews that may be required. Valuable information regarding the enrolment process, how to apply and any other information regarding testing or interviews will also be provided.

Terry Dzufer, Manager Northern Region said “The Echuca TAFE Campus is a hub of community based industry partnerships and activities, aimed at providing a skilled workforce for the local community. The open night is a new initiative and we encourage individuals and businesses to come along on Thursday from 5.00pm and talk to our staff and discuss what’s on offer at their local TAFE.”

Also at the Echuca Campus on Thursday night, the TAFE will be hosting a Trade night. This night will include short presentations on current issues including cross border licensing, and how TAFE can assist with gaining accreditation and information from relevant authorities about current and pending licensing requirements in NSW and Victoria.

“TAFE staff will also be available to discuss feedback on current and future direction of trades in our region as well as skills shortages and how we can assist locally” said Terry.

Bendigo TAFE is a great place to help you get a flying start to 2013. Results from the 2012 NCVER (National Centre for Vocational Education Research) Student Outcome Survey for Graduates, shows that

- 90.9% of graduates were satisfied with the overall quality of their training at Bendigo TAFE, which was above the TAFE Victoria average of 86.5%, and that
- 87.7% of graduates fully or partly achieved their main reason for doing the training.

These statistics reinforce the quality of the services provided by TAFE to the local community.

In 2012, over 3000 students graduated from Bendigo TAFE. Be inspired to be a part of the 2013 story.
